

### Pharmacology 5

- Medication Interactions Safety
- Polypharmacy Safety
- Mixing Insulins Safety
- Safe Dosage Safety
- Pharmacology Across the Lifespan Safety

### Adult Medical-Surgical 11

- Acid-Base Imbalances Acid-Base
- Oxygenation Oxygenation
- Enteral Feedings Nutrition
- Pain Management Comfort
- Fluid Volume Perfusion
- Palliative & Hospice Care Comfort
- Hand-off Reports Communication
- Urinary Tract Infections Infection
- Heart Failure Perfusion
- Wound Evisceration Tissue Integrity
- Informatics & Nursing Informatics

### Maternal Newborn 4

- Apgar Scoring Perfusion
- Complications of Pregnancy Reproduction & Sexuality
- Breastfeeding Health Promotion
- Fundal Assessment Reproduction & Sexuality

### Management 3

- Client Rights Leadership
- Survival Potential Clinical Judgment
- Priority Setting Leadership

### Nursing Care of Children 5

- Growth & Development Human Development
- Pediatric Dehydration Fluid & Electrolyte
- Metered-Dose Inhalers Safety
- Type 1 Diabetes Mellitus Regulation & Metabolism
- Pediatric Asthma Oxygenation

### Fundamentals 9

- ADLs Nutrition
- Look/Sound-Alike Medications Safety
- Adverse Reactions to Medications Safety
- Medication Administration Safety
- Cultural Diversity Diversity
- Oral Care Infection
- HIPAA Health Policy
- Teamwork & Collaboration Teamwork & Collaboration
- Infection Control Infection

### Mental Health 5

- Anxiety Anxiety
- Neurocognitive Disorders Cognition
- Bipolar Disorder Mood & Affect
- Therapeutic Communication Communication
- Depression Mood & Affect
